

CON B SKITTLES

Match Report

Friday 5th October

Oooops! This is the only way I can describe the match. We suffered a crushing defeat from the "Lamb Shanks". We felt that we would have had a better match bearing in mind we had a fantastic win back on 26th September where we won by 35 pins. This time we just could not get started so to speak. They had the upper hand most of the time and they cruised to a fantastic 14 - 0 win, winning overall by a massive 41 pins. What did not help was the fact that they played one or two different players to the cup-match so we were a bit off guard. So onwards and upwards to our re-match later in the season. We may well meet them again in another cup match. It could happen.
