

CON B SKITTLES

Match Report

Friday 26th October

The game started off really well, storming to a fantastic 8 pin lead at the end of the first set. Things began to get shaky thanks to an 11 spare on the fourth hand down from B. Huxham. Not to be down hearted we pulled back to win the set by 1 pin giving us an 9 pin lead on the game. Not a huge amount but enough to give us a slight edge. Into the third and the tables began to turn against us by having a 3 pin deficit towards the middle section of the set. John C. pulled some magic out of the bag and managed to score our only spare of the game of 13 giving him our teams highest score for the night of 47 (well done). This secured victory in the set by 11 pins giving us an excellent 20 pin lead for the fourth and final set. This we needed due to being 2 players short so we had to play two low scores of 31. This looked like a huge ask. A. Taylor of the Electric Sports gave us a headache with an excellent 12 spare. Mark W. Aka "Captain Woody" tried valiantly to get a good score but alas could only manage 37. Unfortunately this was not enough to win the set so lost the set by 27 pins. Giving us an overall loss of 7 pins. We hope to gain a better victory when we meet them on our alley early next year.
