

CON B SKITTLES

Match Report

Friday 30th November

What a week this was. The match began rather slowly until Des aka 'biker' managed an impressive 15 spare in his third hand down to give him his highest score of the season so far of 50 - well done. This was enough to steal the set by 15 pins and 2 valuable points. Onto the second set where we had the upper hand at the start of the set but things became dodgy when C. Sandford of The Dambusters hit a 12 spare to give him a score of 44. We hammered back and Steve T. Aka 'Vice' hit a fantastic 49 without a spare! This helped secure this set too adding another 5 pins to our lead giving us now 20 pins ahead and another 2 points. Into the third, where the pace slowed a little and losing us a bit of focus. Undeterred Steve C. Aka 'Granddad' not wanting to be defeated, smashed through with an excellent 15 spare powering him to his highest score for the team and his personal best of 55 (superb!). Adding another 8 pins to the total profit and another 2 points. Onto the final set with 28 pins ahead we had a comfortable margin. This was cemented in place when we found out that The Dambusters were short of two players forcing them to have to play two low scores of 31 which was a bit of a shame. Still battling on we felt it could go either way when J. Gilmore began hitting 9's with his first couple of hands down. We, on the other hand, just trotted along knowing that the final two hands down could be our turning point with the low scores totalling 14 pins, so unless good scores came forth from J. Gilmore it could be ours. Once the final ball had been bowled we knew we had it in the bag - another 10 pins to our total and another 2 points. This meant we won yet another game and should move up the table a few places.
