George Davis Cup Round 1

What a game that was! We played on an alley that not many of us had played on before in a very quiet pub called "The Regency". Our opponents were the "Lamb Shanks", who normally play at the Lamb pub in Worle High Street.

We began slowly but gradually built up to a crescendo of pins greatly assisted by D. Pearce who scored a massive 69 - this is the highest one of our players has scored this current season. We hope that we continue to play well in this cup because it has been a long while since we won it .

Overall we won by 65 pins. It is a shame that this buffer cannot be carried forward into the next round to give us a head start!!!
